

March 25, 2008

Good Afternoon,

Grant Medical Center is a renowned trauma center and nationally recognized teaching/research facility located in downtown Columbus Ohio. Its LifeLink program provides solutions to emergency medical professionals and others through a multidisciplinary learning and resource center. Our team of educators and EMS specialists at LifeLink are continually expanding opportunities to partner with our area EMS professionals to improve patient care and survivability.

We're proud to announce our annual **EMS Educational Day conference on May 19, 2008**. This conference will allow nearly 300 EMS professionals (admission is complimentary for conference attendees) to hear and network with some of our best physicians, nurses and paramedics about a variety of topics including trauma, cardiac and neurosciences. The keynote speaker for this conference is nationally-known extrication expert, author and Firehouse.com contributor, Ron Moore of McKinney Texas. The Conference Center at Northpoint, in Lewis Center Ohio, will host the conference. This facility is located just 10 minutes north of Columbus and is solely dedicated to hosting conferences and meetings.

As part of the conference, we are inviting your organization to exhibit/sponsor and interact with this large group of EMS professionals, coordinators and decision makers from across Central Ohio. For a total fee of \$325.00 each exhibitor will receive a single display space that includes a 6 foot table and upon request, an electrical source. Exhibitors may expand their display space and add another 6 foot table for total fee of \$500.00. Other services, such as wireless Internet access, are available from the conference center. A continental breakfast, snack breaks and lunch will be provided. For organizations that are not able to take advantage of this networking opportunity by exhibiting, you can still support the conference by sponsoring an educational session, breakfast, snack break or luncheon. Door prizes will also be available to our attendees. Please let us know if you would like to contribute to this opportunity. We've looked for the best speakers and partner organizations possible, so we hope you can join us at this unique event.

On behalf of Grant Medical Center and the LifeLink Program, we would like to thank you for your consideration. Please contact us at 614 | 566-8960 if you have any questions. We look forward to working together with you in making this one of the largest and most successful conferences that recognizes our EMS heroes during this year's EMS Week celebration.

Respectfully,

A handwritten signature in black ink that reads "Holly Heron RN MSN EMT-P".
